Standard, Current Descriptions of Financial Aid Programs

A. Tuition Assistance Program (TAP)

Application Procedures: Applicants must apply annually to the New York State Higher Education Services Corporation (HESC), Albany, New York 12255. The application deadline for the current academic year is May 1. Students can begin the TAP application process by completing the Free Application for Federal Student Aid (FAFSA), available at www.fafsa.ed.gov, or from any high school guidance office.

The Higher Education Services Corporation determines the applicant’s eligibility and mails an award certificate directly to the applicant indicating the amount of the grant. The postsecondary institution may defer payment on the basis of receipt of the award certificate. Actual payment is received after the school certifies student eligibility.

Selection of Recipients and Allocation of Awards: Tuition Assistance Program is an entitlement program. The applicant must (1) be a New York State resident and a U.S. citizen (or a permanent resident alien, paroled refugee, or conditional admittant to the United States); (2) be enrolled full time and matriculated at an approved New York State postsecondary institution and program; and (3) be charged tuition of at least $200 per year. The amount of the award is dependent on state legislation and can vary from year to year.

Undergraduate students may generally receive TAP awards for eight semesters of study. Students enrolled in approved five-year programs, or in a state-sponsored opportunity program, may receive undergraduate awards for five years.

Continuation of Awards: Eligibility for renewal of awards is dependent upon satisfactory academic progress and good standing. The minimum standards of eligibility for undergraduate students are listed in the chart below:

The student must be a US citizen or an eligible non-citizen and must be an undergraduate/graduate enrolled at least half-time as a matriculated student at an eligible institution. The exception is for a Federal Pell Grant when students can be enrolled less than half time. In addition, students must not be in default or owe a refund for any Federal Title IV aid at any institution and be registered, if applicable, with the Selective Service. The Office of Financial Aid (OFA) confirms eligibility and awards, if applicable, and the amount is based on federal regulations in effect for each federal program.

A. Federal Pell Grants

The Federal Pell Grant is an entitlement program. The award amount is determined by the Federal Expected Family Contribution (EFC), cost of attendance, and enrollment status i.e. full time, part time. An Institutional Student Information Report (ISIR) will be sent to each applicant based on the information provided in the application. Once the ISIR is received by the Office of Financial Aid (OFA), the award is calculated based on a payment schedule approved annually by Congress.

B. Federal Supplemental Educational Opportunity Grants (FSEOG)

Awards are made to students with the lowest EFC (Expected Family Contribution).
C. Federal Perkins Loan Program
A student who receives this loan for the first time will be given application instructions at the time of
the award. An eligible student could receive up to a maximum of $5500 per year. The current interest
rate is fixed at 5 percent. Repayment begins nine months after graduation or leaving school, and may
extend over a period of 10 years. An additional 10-year extension of repayment is permitted for low-
inecome borrowers. Payment may be deferred for up to three years for certain categories of borrowers
including Public Health Service officers, teachers at designated low-income schools, the temporarily
disabled, those in internships required before entering a profession, and full-time Peace Corps or
VISTA or similar national program volunteers. The professional internship deferral is limited to a two
year duration.

D. Federal Direct Loan (subsidized)
A student who receives this loan for the first time will be given application instructions at the time
of the award. A student may borrow up to $3500 the first year, $4500 the second year, and $5500
per year for the last two years. The interest rate for new borrowers is fixed at 4.66 percent. Interest
does not accrue until the borrower enters repayment. Repayment is deferred as long as the student
remains enrolled at least half-time and for a six month grace period after h/she ceases to be enrolled
at least a half-time. Payment of principal may also be deferred for certain categories of borrowers: (1)
rehabilitation training; (2) unemployment; (3) economic hardship including the Peace Corps, and (4)
during a period of active military service. After ceasing to be at least a half-time student, the borrower
must make formal arrangements with the Department of Education’s servicer to begin repayment.
Depending on the amount of the loan, the minimum monthly payment will be $50 plus interest. Under
unusual and extenuating circumstances the servicer, on request, may permit reduced payments.
Repayment in whole or part may be made at any time without penalty.

E. Federal Direct Unsubsidized Loan
This loan is virtually identical to Federal Direct Loans except the borrower, not the federal government,
is responsible for the interest that accrues during the in-school, grace and deferment periods. Loan
limits are the same as for the Direct Loan minus any amounts received under the Direct Loan for the
academic year. The interest rate for new borrowers is fixed at 4.66 percent. Interest accrues on Federal
Direct Unsubsidized Loans during the in-school, grace, and deferment periods and must be paid either
monthly or quarterly by the borrower or else be capitalized.

F. Federal Direct PLUS Loan
To apply for this loan the borrower, who must be the parent of a dependent undergraduate student,
begin the application at www.studentloans.gov. PLUS loans require a simple credit check. The
maximum loan that can be borrowed is the cost of attendance, minus other aid. The interest rate is fixed
at 7.22 percent. There is a 4.28 percent origination fee. Repayment begins 60 days after the full amount
of the loan is disbursed.

are in need of financial aid.
