ESTIMATE OF STUDENT EXPENSES FOR THE SPRING 2015
LONDON ENGLISH STUDY GROUP

March 12, 2014

The following is an estimate of student expenses beyond tuition and student fees. It is based on expense reports provided by members of previous London Study Groups and the latest available information from Professor Brice. These dollar figures have had 3% added for inflation and were calculated at an average exchange rate of 1.669 USD per Great British Pound (as of March 12, 2014). Where student-reported figures are listed, the average and the range are included. You should not assume that these amounts will be sufficient without careful spending!
