# Overview of Staff Association and Staff Affairs Council Mission

The Colgate University Staff Association is a representative body of Colgate University staff. The Association is governed by a Staff Affairs Council which is charged with facilitating collaboration and communication between University leadership (i.e. the Cabinet), faculty, and staff members in full consideration of the diverse range of identities and roles held across campus. It has the responsibility of advising the president and the cabinet on staff concerns, questions, and ideas, as well as the responsibility to report outcomes of these meetings back to the staff at large. The council acts as a resource to the president and University administrators to offer staff feedback on University affairs upon request.

The council will work to identify inequities within the staff experience and elevate them to the appropriate department/division for resolution and will intentionally consider how its work impacts all staff across campus.

## Objectives

- ➔ Increase the sense of belonging, recognition, and value of staff members in their relationship to the University.
- ➔ Identify staff concerns and propose recommendations.
- ➔ Promote the development of inclusive policies aimed at retaining current staff members and attracting talented new staff members.
- ➔ Integrate staff more fully into University affairs while fostering a culture of mutual support, respect, and professionalism.

## Membership

Membership in the Staff Association includes all personnel, excluding classroom instructors and employees with voting faculty status. Staff personnel are identified as those employees who work full time, part time, or in a temporary capacity. For purposes of membership in the Staff Association, full-time students employed by the University will not be eligible. The Staff Association will elect members to the Staff Affairs Council.

The Staff Association/Staff Affairs Council is not a labor organization, and its purpose is not to negotiate grievances, labor disputes, wages, hours of employment, or conditions of work.
