

The Colgate Commitment

A Financial Aid Initiative for
Access and Affordability

COLGATE
UNIVERSITY

Colgate University is committed to making your education affordable.

The Colgate Commitment marks a milestone in the University's progress to make a Colgate education affordable to as many talented, high-achieving students as possible, regardless of their socioeconomic background.

For eligible students based on family income, this comprehensive financial aid initiative will:

- eliminate tuition
- significantly reduce student debt
- adjust tuition based on the family's income level

The Composition of the Colgate Commitment

FULL TUITION SUPPORT

Students with an annual family income of \$80,000 or less will attend Colgate tuition-free.

ALIGNING INCOME AND TUITION COSTS

Students with an annual family income level between \$80,000 and \$150,000 will pay a percentage of that annual income toward tuition.

EXPANDING THE NO-LOAN INITIATIVE

Students with an annual family income level up to \$150,000 (an increase from \$125,000) will have their federal loans replaced with grants.

Students with a family income up to \$150,000 will have all federal loans removed from their financial aid packages; those loans will be covered with a University grant.

Applying for Aid

WHEN TO APPLY

All financial aid applications are available online beginning October 1, 2021. Use information from your 2020 tax return.

Financial Aid Application Deadlines*

Nov. 15:
Early Decision I

Jan. 15:
Regular Decision
Early Decision II

HOW TO APPLY

1. Complete the CSS Profile online at cssprofile.collegeboard.org to be considered for Colgate's need-based institutional aid, including the no-loan initiative.
CSS Profile – Colgate School Code 2086
2. Complete the Free Application for Federal Student Aid (FAFSA) online at fafsa.gov to be considered for federal funding. U.S. citizens and permanent residents only.
FAFSA – Colgate School Code 002701

Additional financial aid materials may be required if your application is selected for federal or institutional verification.

**Domestic students applying only for federal aid can submit the FAFSA at any time preceding or during the academic year.*

Early Decision Applicants

Students admitted during Early Decision will receive the same aid package that they would receive as a Regular Decision candidate. Application requirements are the same, only the deadlines are different.

Transfer Applicants

Colgate financial aid assistance is available to admitted transfer students on the basis of need.

International Applicants

Financial aid is available to students who are not U.S. citizens or eligible noncitizens. To apply for aid, international students must submit the CSS Profile (cssprofile.collegeboard.org). This is the only financial aid application form that Colgate will require from international students. Financial aid eligibility is determined prior to admission and decisions will remain binding for subsequent years.

Application requirements and deadlines can be found at colgate.edu/financialaid.

College Financial Planning Worksheet

To estimate your share of college costs and how much financial aid you may be eligible to receive, use the cost calculators at colgate.edu/estimate. Complete the college financial planning worksheet using the results.

Financial information needed for estimate:

- Family income
- Home value
- Mortgage balance
- Cash balance
- Non-retirement investments

In their own words, students and alumni share how Colgate's financial support has impacted their lives.

“ The financial aid package that I received from Colgate was a major contributor to my decision to attend the University. Colgate made attending a prestigious university very affordable, and afforded me the opportunity to travel abroad without feeling trapped by financial burdens.”

Janisa Middleton '22, Pleasantville, N.J.
Sociology Major, Classics Minor

“ There are no words that can accurately express what a significant impact the no-loan initiative has had on me, my family, and my future.”

Sigrid Montagano '24, Kinderhook, N.Y.

“ Financial aid has been crucial in my ability to attend Colgate University. I have been able to attend college without taking out student loans and graduated with no debt. I could not have attended Colgate University without the support of the financial aid office.”

Noah Bernstein '20, Lynbrook, N.Y.
Economics Major, Wealth Advisory Analyst at BlackRock

“ I'm motivated to use the education Colgate is providing me with as well as the Colgate network to secure a good career.”

Lizeth Mora Guerrero '24, Phoenix, Ariz.
Astrogeophysics Major

“ Colgate is giving me a chance to experience what life looks like outside of my community and appreciate different cultures and backgrounds.”

Azana Dickens '25, Riverdale, Ga.
QuestBridge Scholar

“ I could see myself affording to go to Colgate and not regretting the decision. For some of the other schools I was applying to, that wasn't the case.”

Mason Jones '18, English and Sociology Major
Operations Manager at Democracy Prep Public Schools

Terminology

Cost of Attendance

The total cost to attend the University for one year. The cost of attendance includes both billable (tuition, room, board, fees) expenses and estimated expenses (books and supplies, personal expenses, transportation costs).

Estimated Costs

Based on an estimate of a student's fixed, on-campus expenses (tuition and activities fee); an estimate for room and meals; and estimates for those variable expenses incurred but not billed to the student account (books, supplies, domestic travel, and personal needs).

Expected Family Contribution (EFC)

Calculated by taking into account your family's financial circumstances such as income, assets, the number of siblings enrolled in programs leading to a first undergraduate degree, and the cost of a sibling's educational program.

Financial Need

Cost of attendance minus the expected family contribution.

Grant

A grant does not need to be repaid and is based entirely on demonstrated

need. At Colgate, a grant is typically the largest portion of an aid award.

Loan

For those who do not qualify for Colgate's no-loan initiative, aid packages may include a modest Federal Direct Loan at a low, fixed-interest rate.

Parent Contribution

Calculated from the CSS Profile and other documents submitted to apply for financial aid. Parent income, assets, the size of your household, and number of other children enrolled in undergraduate degree programs are taken into consideration.

Student Contribution

Based on the student's current assets and earnings from an earlier tax year. A minimum contribution is expected of all students.

Work-Study

Available to certain students based on need, but without regard to citizenship. Working on campus allows students to invest in their own education, reducing the need for additional loans while also providing valuable work experience.
