

**Per the Family Education Rights and Privacy Act of 1974,  
A replacement diploma cannot be ordered without the student's consent and signature.**

**Please read first:** If you are requesting a replacement diploma only for confirmation of graduation, you might be better off requesting a degree verification letter. Often Colgate's diplomas are not sufficient confirmation of graduation as it is printed in Latin and only the graduation year appears. A degree verification letter will provide more critical information (dates of attendance, major/minor, graduation date, etc.) and can be processed in 2-4 business days, whereas a replacement diploma will take several weeks to be processed.
